Dear Reader,

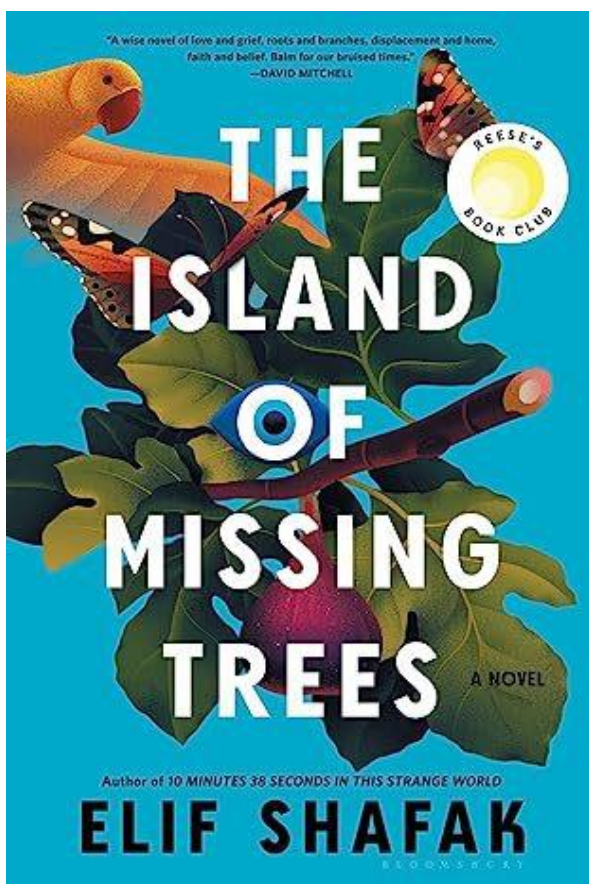

It's July in Florida! Yeah! ☺ Hotness is in the Air! Everything melts, not just the ice cream.

While tourists vacation all over Florida, the locals hide in the AC corners with umbrella drinks, tablets fueled by Netflix & Prime, and Kindles or maybe a paperback.

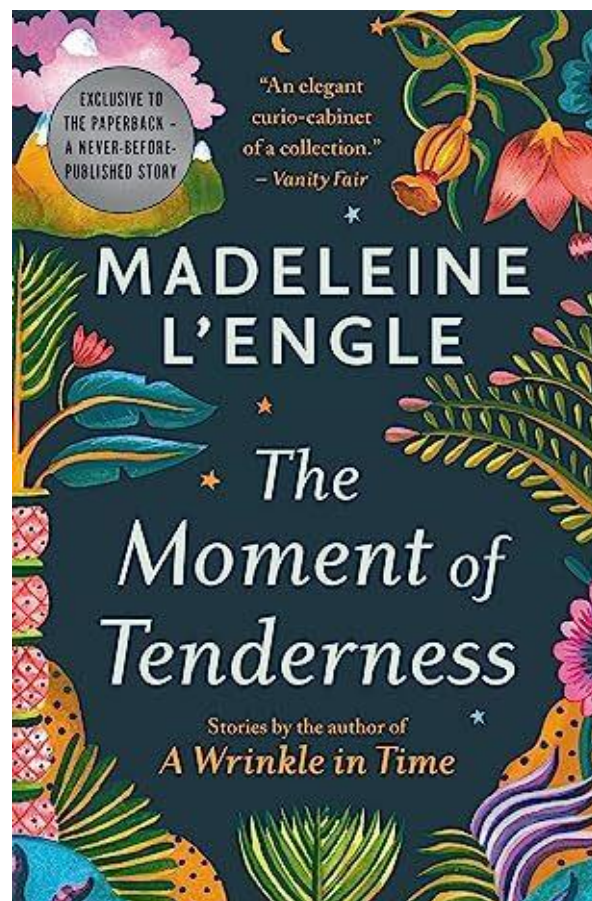

Summer time is a time to relax, recharge, or maybe to make a U-Turn. I did relax before the summer, in the spring by traveling for two weeks to Bulgaria, visiting friends & family. Those who follow me on social media might have seen my video of clumsy sharpening an ax on a Medieval tool. It would have taken me ages to accomplish the task, and I was glad that my life did not depend on it.

I hope you had some exciting time on your trips and time off too.

We all need to change pace between work, duties, and different tasks, so when I complete a writing project, I like to catch up on reading and these are the two books I Absolutely Loved. I posted reviews on Good Reads too. 📖💕

["The Moment of Tenderness"](#)

I also re-evaluated the outline for my next project and this time I am making a U-turn. I will keep you posted on the progress. Nobody likes U-Turns but had to be done. 😊

My dog, Myla is also making a U-Turn in her routine. She went from jogging 3+ miles to giving up on the 1st mile & calling it quits. Of course, I honor her will, but I hope it is the heat, not the aging. The poor thing just turned 5, which is 33% of her lifespan. 😞 Even with a slower pace, she still finds wonders on our walks.

When I moved into this neighborhood, just minutes away from the highway, I did not realize how beautiful it was, but the dangers were given too. Here is the proof:

Tree Hammock

Myla found it, (Cottonmouth Snake-Poisonous- 🤩) Both species did not show any interest in each other.

If you like historical, women, and cultural fiction, you will love my book, **"Cursed Beauty"**.

Please, see all the Positive reviews on [Amazon](#) & [Good Reads](#) Here!

Enjoy the rest of the summer. ☀️🌂😎🍦

Till next time with more news & sights from Myla.

Best,

Valentina
